Beers for \$10!**

**(Also served in half litres.)**

## **Franziskaner Hefeweizen**

A 100 rated German Hefeweizen made since 1363 from water, wheat, barley, yeast and hops. This is a natural and elegant Weissbier from Bavaria. This copper golden wheat beer unfolds with an aromatic fragrance and harmonious banana and citrus fruits.

## **Hofbräu Dunkel**

Dark beer existed in Bavaria long before light beer. The archetypal Bavarian beer, this was the first beer brewed at Hofbrauhaus when it was founded in 1589. Today, when beer-lovers all over the world talk about dark beer, they usually mean a Munich style beer. This is a malty brown beer with flavors that are sweet, lightly hoppy, with hints of cloves and bread. This is a beer in the traditional Munich style! (94 rating)

## **Great Lakes Oktoberfest**

Cleveland's celebration of Oktoberfest dates back to the mid 1800's when German immigrants gathered at outdoor beer gardens like Haltnorth's and St. Clair Gardens. This beer is an amber lager with rich malt flavor and noble hops, and is a top 50 Oktoberfest in the World with a 98 rating.

## **Great Lakes Dortmunder Gold**

This 100 rated Dortmunder is a smooth lager that strikes a delicate balance between malt and hops. It has more body and less hops than a Pilsner, and less malt and more hops than a Munich style lager. And oh yeah, it is a Top 50 Dortmunder in the World.
