Franziskaner Hefeweizen

A 100 rated German Hefeweizen made since 1363 from water, wheat, barley, yeast and hops. This is a natural and elegant Weissbier from Bavaria. This copper golden wheat beer unfolds with an aromatic fragrance and harmonious banana and citrus fruits.

Hofbräu Dunkel

Dark beer existed in Bavaria long before light beer. The archetypal Bavarian beer, this was the first beer brewed at Hofbrauhaus when it was founded in 1589. Today when beer-lovers all over the world talk about dark beer, they usually mean a Munich style beer. This is a malty brown beer with flavors that are sweet, lightly hoppy, with hints of cloves and bread. This is a beer in the traditional Munich style! (94 rating)

Great Lakes Oktoberfest

This smooth, traditional Marzen-Style Lager has a bready, biscuity, and complex malt body with hints of toffee and caramel, and a clean, subtle noble hop bitterness. This 'uber' smooth Oktoberfest can be contributed to their decoction brewing. An added extra touch to make this 98 rated beer one of the best Oktoberfest brews in the world. Oktoberfest beer, in general, is one of the best brews to pair with many different foods. Prost!

Great Lakes Dortmund Gold

The first beer Great Lakes Brewing Co ever made in 1988 (fun fact: it used to be called The Heisman)! It's made with proprietary yeast, so it can never be duplicated! Not too sweet, not too hoppy. The perfect balance between the two is this beer's reputation. That's what makes this 100 rated beer go with everything from a light salad to subs, to pizza! And oh yeah, it is a Top 50 Dortmund in the World!
